Oregon Health IDs

- We can print temporary Oregon Health IDs from MMIS
- We can use MMIS to request an Oregon Health ID be mailed to the client
- MMIS will automatically mail Oregon Health IDs when new persons (or new cases) are added
- MMIS also automatically mails Oregon Health IDs when a medical recipient's name changes

The new Oregon Health IDs are wallet sized

- The new Oregon Health IDs have the client's:
 - ≻Name
 - ≻Prime
 - Date issued
 - Client Services Unit phone number
 - For providers, the DMAP provider inquiry web address and the DMAP provider phone number.

The new Oregon Health IDs, cont.

- The new Oregon Health IDs are not a guarantee of eligibility
- The medical provider must confirm eligibility dates
- The provider needs the prime number
- Check to see if the client is eligible in MMIS
- You may not need to fax an Oregon Health ID if the client is eligible in MMIS

Here's what the front of the temp ID and permanent ID looks like:

And here's the back of the new ID:

Clients – Coverage questions? Call 800-273-0557.

Providers – This card does not guarantee coverage. Verify coverage at: <u>https://www.or-medicaid.gov</u> or by calling 866-692-3864.

Billing questions? Call 800-336-6016.

Issuing a temporary Oregon Health ID from MMIS

- There's a security issue with the new temporary Oregon Health ID
- The security issue is with the web browser not MMIS
- Each branch needs to address how many/who should be allowed to issue temporary Oregon Health IDs

Coverage Letters

Coverage letter overview

- MMIS automatically sends a coverage letter when there is a change affecting managed care access (name change, plan change, etc.)
- The coverage letter explains the client's benefits, co-pay, TPL and managed care enrollment

Overview, continued

- Each time we tell the new MMIS to mail an Oregon Health ID, a new coverage letter for the entire case will be sent, too.
- If a client requests a duplicate coverage letter, issue a new Oregon Health ID and a coverage letter will be sent
- No coverage letter is produced when printing a temporary Oregon Health ID

MMIS sends coverage letters when:

- The client is enrolled or disenrolled from a managed care plan
- The benefit plan changes
- A medical program recipient is added or removed from the case
- When a recipient's name is changed
- When TPL is added or removed
